Course description

Our language online course Level A1.1 is the first step in russian language learning process and help all the students to get a general knowledge of a basic communication. The whole level A1 is divided in three learning modules that will help each participant to understand and use familiar everyday expressions and very basic phrases aimed at the satisfaction of needs of a concrete type. S/he can introduce him/herself and others and can ask and answer questions about personal details such as where s/he lives, people s/he knows and things s/he has. S/he can interact in a simple way provided the other person talks slowly and clearly and is prepared to help.

[This course will be held on Google Meet Platform](#)
